

A team from Cornerstone Church is going to Ceiba Blanca, Guatemala from April 1-6

BE A PART OF THE GUATEMALA TEAM BY PRAYING!

Cornerstone Church has partnered with Children's HopeChest in the small city of Ceiba Blanca, Guatemala since 2019, where many of our members have sponsored children through Children's HopeChest. On April 1-6, 2024 a team of 16 will be visiting the Ceiba Blanca Care Point to learn, encourage, and support the work already established with the help of our partnership. The Cornerstone Team will learn, fellowship and encourage the HopeChest Staff and Volunteers, as they are the ones who provide discipleship, nutrition, health, and education for children and their families, on a regular basis when our team is not there.
